CAPACITY BUILDING PROGRAM (CBP) REPORT

A CBSE workshop / Capacity Building program (CBP) in the topic- Learning Outcomes and Pedagogies was held at Ananda Samvrddhi Vidya Piitha, Jharsuguda on 26th oct, 2024 (Saturday) , from 9 AM to 5 PM organized by CBSE, centre of Excellence (COE), Bhubaneswar. Total 47 (forty seven) participants have been participated from different nearby CBSE schools.

This workshop helps the teachers to understand about the teaching method and teaching learning process to make study joyful for students .Two resource persons from CBSE have shared their observations and experience on learning outcomes & pedagogies in such a way that all the trainers could understand easily and applied it to classroom teaching so that teaching learning process is made fruitful. The main objectives of this workshop was to make the participants understand that lessons /topics should be planned with a measurable learning outcomes in mind. To make teaching learning process make effective & impressive with the following pedagogies that learnt in the session.

Resource persons motivated the participants to actively participate in group work, demonstration, project work, different methods of pedagogies etc. all the teachers participated actively in the interactive session and had many useful take away by the end of the session. The session began with an interesting activity, in which each group was asked to illustrate and present their ideal classroom on a chart paper. It was then followed by an introduction and a discussion on learning outcomes & pedagogies.

The workshop concluded with this thought that teachers should comprehend the child's mind and try various ways to reach their level to enlighten and assess their knowledge and the topics discussed were not only required for the evaluation of child's ability but it is important to foster quality learning to a make the school child friendly.
